CELEBRATING 20 YEARS

Benchmark Travel who operate the travel club for Accord celebrate their 20th anniversary this year and we'll soon be announcing on the travel club website, a number of ways in which members can join in our celebrations!

WE'RE UNIQUE

We know we're unique in how we operate and what we can offer. No other travel company has the same incentive to offer members the same discounts or levels of service as we do.

YOU ARE NOT ALONE

Our experiences during the pandemic showed that members are truly grateful for those levels of service, causing one to coin the catchphrase, 'You're not alone when you use the Accord travel club'!

GET READY TO TRAVEL AGAIN!

With members now feeling more confident, there's a new catchphrase for this year - 'Get ready to travel again' shown in our new ad overleaf!

EXCLUSIVE TRAVEL HUB

Of course we offer members a lot more than just the opportunity to save money, find out just what those things are by visiting www.accordtravelclub.co.uk
